WHAT "PETRIIFICATION"?

Professor Todd of Taber College Examines it Critically and Pronounces it a Fraud.

A correspondent to the Council Bill... It was the privilege of the writer to see and examine quite extensively the famous "Petri-Man" from Colorado while he was on his way to the Missouri State...

As some of our readers may have some curiosity to know how it appeared to me... The appearance of the "Petri-Man" is very striking, and is very different from anything I have ever seen before.

The "Petri-Man" is a man of about 40 years of age... He is of a fair complexion, and has a very strong, muscular build. He is dressed in a simple, plain suit of dark cloth.

He is a man of a very peculiar appearance... He has a very large, bushy mustache, and a very full, curly beard. His hair is dark, and is very thick and wavy.
